

OSAMA KHALED

WORDPRESS & FRONT-END DEVELOPER

Al-Khobar, Eastern Province | usernameosama@gmail.com | +966543039914

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFILE

Motivated and detail-oriented WordPress & Front-End Developer with 2+ years of experience in responsive web development, UI/UX implementation, and client-focused project management. Skilled in building and customizing WordPress themes and plugins, converting Figma and Adobe XD designs into interactive, high-performance websites, and managing hosting environments using cPanel and WHMCS. Adept at leveraging modern frameworks like React.js, Tailwind CSS, and Bootstrap to deliver user-friendly interfaces, while applying AI-driven tools to optimize productivity, automate workflows, and enhance digital experiences. Known for clear communication, teamwork, and providing innovative solutions that align with business goals.

EDUCATION

BACHELOR'S DEGREE at KAHR EL-SHEIKH UNIVERSITY, EGYPT

September 2020 - October 2023

EMPLOYMENT HISTORY

WordPress & Front-End Developer at [Wady](#), Riyadh

August 2024 - Present

- Developed and customized WordPress websites using a variety of plugins and tailored solutions.
- Converted designs from Figma and Adobe XD into fully functional and interactive WordPress websites.
- Managed hosting platforms and cPanel, with basic database management experience.
- Worked with WHMCS to manage hosting services, client billing, and automation processes.
- Acted as the main point of contact between clients and developers, organizing meetings and discussing project requirements.
- Ensured timely delivery of projects by coordinating tasks, troubleshooting issues, and maintaining client satisfaction.
- Built responsive websites compatible with multiple devices using HTML, CSS, JavaScript, and React.js.
- Applied modern front-end frameworks and libraries, including Tailwind CSS, Bootstrap, MUI and HeroUI, for efficient UI development.
- Integrated AI-driven tools to improve content management, client communication, and development workflows.
